After your breakfast, we will make our way to **Killarney**. Our first stop will be **the Rock of Cashel**. This is a spectacular group of medieval buildings set high above the green pastures of the Golden Vale. The Rock of Cashel, also known as St. Patrick's Rock, is crowned by the 13th century Gothic Cathedral, beside which nestles the unique Romanesque Cormac's Chapel. There is also a round tower and a 12th century High Cross, the base of which is said to have been the

inauguration stone of the Kings of Munster. This is a great place to get a photo of the surrounding Irish landscape. Next we will continue on to Killarney and check into our hotel. Later this evening we are in for our first special treat with **Paul's first performance of the tour**. Afterwards we enjoy dinner at the hotel.

In the last 1300 years Spike Island has been host to a 6th century Monastery, a 24 acre Fortress, the largest convict depot in the world in Victorian times and centuries of island homes. The island's rich history has included monks and monasteries, rioters and redcoats, captains and convicts and sinners and saints.

Today the island is dominated by the 200 year old **Fort Mitchel**, the star shaped Fortress which became a prison holding over 2300 prisoners. We will take the scenic ferry ride from Cobh, and we will enjoy a fully guided tour of the island and fortress. Get captured in the history and mystery of this magical heritage island. Today we will experience this on a **walking tour with commentary on the food and drinks history** of the city going back to Viking days. We will start at the City Art Gallery, where the merchants lived and traded in times past as the city developed from the confines of its medieval walls. We

will see how this city was built on the trading of butter, meat and whiskey. The English Market is central to the food history of the city and we meet some of its key traders. Enjoy selected food tastings finishing at the Market in the city center. Afterwards we will return to Kinsale where you have the rest of the day to enjoy at your own leisure. This evening we will enjoy another **wonderful performance by Paul**, followed by dinner together.

This morning, on our way to **Mizen Head** we will make a quick stop at “**Beal na Blath**” Memorial which is the site where Michael Collins was ambushed & shot in the Irish Civil War 1922. Mizen Head stretches out dramatically into the swirling Atlantic Ocean, amidst sea cliffs and crashing waves. In a testament to man’s determination, the Mizen Head Signal Station has stood strong against the forces of nature

for over 100 years. The station was built to warn ships at sea of the treacherous rocks that lie close to the shore here. We return to Kinsale where tonight dinner is on your own.

Overnight: Trident Hotel

Day 7 – May 11th: Jameson Distillery

After breakfast we will go on a tour to the **Jameson Distillery**. The tour starts with an informative audio-visual presentation before we are accompanied by an excellent tour guide through the production of Irish Whiskey and the old workings of the distillery. These old workings include the World's largest Pot Still, a 150 year old water wheel and original Malting Houses, Corn Stores and Still Houses in a truly atmospheric tour. Naturally the tour ends at the Jameson Bar, where we can sample some of the "Uisce Beatha", the Irish word for whiskey, meaning "water of life". **The Old**

Midleton Distillery also has a restaurant and gift shop stocking some 5 brands of Irish Whiskey.

We will then continue to **Mount Juliet Estate** where we will check into the Hunters Yard Hotel. We will be staying here for the next two nights.
